# Experience Summary

- Experience in Java Development, Spring Boot and Microservices.
- Experience in developing RESTful API.
- Result-driven with experience in designing, developing, and maintaining enterprise applications using Java, Spring Boot, Spring Cloud (Microservices) and hibernate.
- Experience in Unit testing and code validation using JUnit to ensure application reliability and maintainability.
- Having knowledge of SQL and Database concepts.
- Experienced in leveraging the Unqork low-code/no-code platform to develop business applications and automate workflows.
- Certified as an Unqork Creator, demonstrating expertise in Visual User Interface (UI) Development, Workflow Automation, Data Modeling and Integrations, Security and Compliance.
- Strong understanding of the Software Development Life Cycle (SDLC), Agile methodologies, and delivering scalable, high-quality software solutions.

# Skills Summary

| | |
|---|---|
| **Domain** | Java Development, Unqork (Low-Code/No-Code Platforms) |
| **Programming Languages** | Java, Spring Boot, RESTful Web Services, Mongo DB, Unqork |
| **Operating System** | Windows, MacOS |
| **Source Control** | Git |
| **Soft Skills** | Communication, Creative thinking, Problem Solving |

# Work Experience

## Project 1

| | | | |
|---|---|---|---|
| **Project Name** | Pro-Tech Suite | Team Size | 5 |
| **Start Date** | Jun 2023 | End Date | Aug 2023 |
| **Project Description** | A web-based application designed to streamline project management processes within an organization. | | |
| **Role & Contribution** | • Developed and maintained Rest APIs using Java and Spring Boot based on business requirements.<br>• Contributed to features such as project proposal submission, project creation, task assignment, user role management and project status tracking. | | |

| | |
|---|---|
| | • Led the development team for the project by coordinating tasks, providing technical guidance, and ensuring timely delivery of project milestones. |
| **Technology &Tools** | Java, Spring Boot, MySQL, Angular Js |

## Educational Qualification

| | |
|---|---|
| **Education & Credentials** | Bachelor of Engineering (Computer Science), Dr. D.Y. Patil Institute of Technology, Pimpri-Chinchwad, Maharashtra |
