- Experienced in leveraging the Unqork low-code/no-code platform to develop business applications and automate workflows.
- Certified as an Unqork Developer, demonstrating expertise in Visual User Interface (UI) Development, Workflow Automation, Data Modeling and Integrations, Security and Compliance.
- Experience in Java Development, Spring Boot and Microservices.
- Experience in developing RESTful API.
- Having knowledge of SQL and Database concepts.
- Strong understanding of the Software Development Life Cycle (SDLC), Agile methodologies, and delivering scalable, high-quality software solutions.

Skills Summary

Domain	Unqork, Java
Programming Languages	Java, Spring Boot, MySQL, Unqork
Operating System	Windows, MacOS
Source Control	Git
Soft Skills	Communication, Creative thinking, Problem Solving

Work Experience

Project

Project Name	MMGS Unqork and PB	Team Size	3
Start Date	7 Aug 2025	End Date	31 Mar 2026
Project Description	Worked on the NS-FMB-MMGS project, involving the development and configuration of application modules and business workflows using the Unqork low-code platform. Utilized various Unqork components to build application functionalities, configure workflows, and support business process automation.		
Role & Contribution	• Developed and configured application modules using the Unqork low-code platform. • Built and customized workflows to support business processes and application requirements. • Supported testing, debugging, and issue resolution to ensure application functionality. • Utilized various Unqork components to implement required functionalities.		

	• Configured component properties, validations, and data interactions within modules. • Worked on workflow implementation to ensure smooth execution of business processes. • Collaborated with team members to understand requirements and deliver module-level functionalities
Technology &Tools	Unqork, Excel and Moment Formulas

Educational Qualification

Education & Credentials	Bachelor of Engineering (Computer Science), Dr. D.Y. Patil Institute of Technology, Pimpri-Chinchwad, Maharashtra
